Video Game Covers - Complete the text

This is the video game cover of an adventure game called “Godfall”. In the **FOREGROUND** we can see our hero who is holding a futuristic **SWORD**. His hair is long and white. He is standing in a strange **LANDSCAPE**, with bizarre red grass at his feet.

On the right there is a second hero. This one is holding **TWO** swords, one in each **HAND**.

In the middle-ground there is a third hero. This one is **DRESSED** all in white and is holding a long spear.

Behind all the heroes, in the background, we can see a futuristic **CITY** with lots of **TOWERS**.

Above the city, there is a storm, and it looks like a giant spacecraft shaped like a sword descending on the city.

At the bottom of the cover, we can see the **AGE** rating and the video game **COMPANY** which is Gearbox.

hand - towers - company - foreground - dressed

landscape - city - sword - age - two
